# About us

WiKi Talki enables every student to speak, record and evaluate each other in class. Consisted of teachers and volunteers from South Korea, team Wiki Talki are solely driven by the faith and hope that our solution could better assist education in schools and language learners all around the world.

## Teacher's Tip

- It is important that you support only one position  
(중요: 한가지 입장만 취하세요!)
- Try to include examples of your own experience.
